

FINE ARTS OPTION CREDIT SUMMARY

School Year 2008-2009

Bishop Brady High School allows students to earn 1/2 Fine Arts credit toward their requirement of 1 full credit in an approved out-of-school activity. To qualify for this credit the student must be enrolled in a class on a regular basis receiving instruction in voice, art, drama, dance, musical instrument or other approved fine arts activity. This instruction takes place during the school year but outside the Brady community. The student must take part in this activity for two high school years and earns 1/4 credit per year. Once the second year has been completed, the student's transcript will show 1/2 credit in Fine Arts.

The instructor is expected to give a summary of the student's progress and activities twice a year (January and June). Please check below which summary this is.
