New Student Referral Form for Incentive Program for Current Brady Families

The New Student Referral Incentive Program awards a referring Bishop Brady High School family with a \$400 tuition credit for each new student that is referred to and actually enrolls.*

Refer a family that enrolls two students and receive a \$800 tuition credit, refer a family that enrolls three students and receive a \$1,200 tuition credit, etc. It's just that easy.

For every new student that is referred to Bishop Brady who applies, is accepted, and actually enrolls, the current family will receive a \$400.00 credit toward their own child's tuition.

In order to qualify for the incentive program, the new family referred has to be a **new name not currently in the Admissions process**. There is a place on the application for the new family to indicate if they have been referred to Brady by a current family. You will be notified if the referral qualifies for the program in the Fall of the new student's first year. Completed New Student Referral Incentive Program forms should be sent to the attention of Lonna Abbott, Office of Admissions and Enrollment. A signed New Student Referral Incentive Program form must be on file in order to qualify.

Please feel free to copy this form for multiple submissions. We thank you for referrals!
