NOTIFICATION OF COLLEGE VISITATION OR INTERVIEW

_____ / _____ has my permission to visit
Name of Student Grade

_____ on _____
College or University Date(s)

for a scheduled appointment with the Admissions Office or faculty interview at the above named college/university. Please grant an excused absence from school for my child on the above date(s).

I am aware that school policy allows up to four (4) days for the purpose of college visits; however, no college visit can use more than two (2) excused days for any one trip. I also acknowledge that this form must be completed and returned to the School Counseling Office at least two (2) days prior to the planned visit in order for the days missed to be granted as excused. Otherwise, the days missed will be recorded as unexcused absences.

Written proof of visit/interview must be returned to the School Counseling Office upon your return (i.e., a note from the college/university representative or faculty member).

**** JUNIORS: Students in Grade 11 are allowed TWO (2) college visits between April 1 and May 15. College visits before or after these days WILL NOT BE EXCUSED.**
