## 2018 Holiday Craft Fair Guidelines

Bishop Brady's Holiday Craft Fair is a NH-made craft fair. Crafters provide their own tables; the school provides a 10'x10' space and two chairs. By registering for the Holiday Craft Fair, you agree to the following set of participant guidelines:

1. Prior acceptance to the fair does not guarantee re-acceptance or the same location.
2. Food crafters are required to submit a copy of their food license with their application.
3. All items must be 100% handmade by the crafter or immediate family.
4. There will not be any announcements after the start of the show advertising a discount on a crafter's items. This may be done in advance and in the show program. You may advertise via signage on your table if needed.
5. No smoking on school property is permitted, including the bathrooms. Should you need a break, please ask a committee representative and we will assist you.
6. **Bishop Brady asks that all crafters donate a product worth \$25 or more to our Tea Cup Raffle.** Proceeds benefit Bishop Brady's Habitat for Humanity. To be fair to all crafters, the donation must be of equal value to a similar craft on your table or you will be asked to exchange your donation.
7. There will be plenty of food for sale, should you like to purchase something. All crafters receive a coupon for complimentary coffee and one breakfast item.
8. Setup for crafters will begin at 6:30am. Students will be on hand to assist you in carrying in and out your items. Bring your own dolly if you need one. The school cannot provide a dolly, ladder, etc.
- 9) After unloading please move your car to the back of the parking lot.

Thank you for your continued support! We look forward to seeing you on December 8, 2018 .

Sincerely,
